IMPORTANT INFORMATION

Please read this Product Disclosure Statement (PDS) carefully to ensure you understand what insurance cover is provided. If you have any questions or if you would like more information, please contact your broker or us.

INTRODUCTION

The **Policy** is a contract between **You** and **Us**. It is arranged through Tego Insurance Pty Ltd (Tego) on behalf of Certain Underwriters at Lloyd's.

You should keep the **Policy** in a safe place – **You** may need to refer to it if **You** have to make a claim.

ABOUT THIS PDS

This PDS, which includes the Policy Wording, contains information about the **Policy**. It aims to help **You**:

Decide whether the cover provided will meet **Your** needs; and

Compare it with other products **You** may be considering.

We do not provide any advice in this PDS about this product and have not considered **Your** objectives, financial situation or needs. **You** should carefully consider the information provided having regard to **Your** personal circumstances to decide if it is right for **You**.

UPDATING THIS PDS

We may update the information contained in this PDS when necessary. **We** will issue you with a new PDS or a Supplementary PDS, except in limited circumstances. Where the information is not something that would be materially adverse from the point of view of a reasonable person deciding whether to obtain or renew this insurance, **We** may issue **You** with a copy of any updated information in other forms. **You** can get a paper copy free of charge by contacting Tego.

This PDS was prepared on 11 March 2025.

ABOUT YOUR POLICY

If **We** issue you a policy, **You** will be given a Schedule. The Schedule sets out the covers **You** have chosen and should be read together with the Policy Wording. **You** should check the Schedule carefully to ensure it accurately reflects the cover **You** have purchased.

The Policy Wording and Schedule and any Supplementary PDS **We** issue form your legal contract with us. Please keep them in a safe place for future reference.

APPLYING FOR YOUR POLICY

Please complete the proposal form and provide any additional information requested.

THE COST OF YOUR POLICY

The premium payable for **Your Policy** is determined by **Our** assessment of the risk to be insured as well as the taxes and government charges that are applicable.

When calculating **Your** premium, **We** take a number of factors into account including **Your** individual practice mix, **Your** gross billings, the covers **You** select and **Your** claims history.

Your premium also includes amounts that take into account **Our** obligations in relation to any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST) in relation to your **Policy**.

When **You** apply for this insurance, **We** will advise your total premium amount payable, when it needs to be paid and how it can be paid. If **You** fail to pay **We** may reduce any claim payment by the amount of the premium owing and/or cancel the **Policy**.

EMPLOYER INDEMNIFIED

If **You** are employed, **You** may be in a situation where **Your** employer has agreed to provide insurance to **You** in order to meet **Your** AHPRA registration indemnity requirements. This may include cover for any civil claims that arise as a result of acts, errors and omissions in carrying out **Your** duties. Employer indemnification is common in public hospital settings, however **You** may also be indemnified by **Your** employer in a private setting. **Your** employer indemnified cover may not include cover for:

- hospital disciplinary proceedings and investigations against you
- Medical Board investigations into your conduct or performance
- Royal Commissions
- Investigations or proceedings by other professional bodies
- employment disputes

If **You** are uncertain of **Your** indemnity arrangements, **You** should seek confirmation from **Your** employer so that **You** purchase the correct insurance for **Your** needs.

Where **You** are employer indemnified and only wish to purchase Section 2 cover, **Your** gross billings should be noted as \$0 unless **You** require cover for work **You** carry out in other settings where **You** are not employer indemnified.

GROSS BILLINGS

Your gross billings is the total amount that **You** charge for the healthcare that **You** provide and/or any income you receive in a policy period for healthcare services covered by this **Policy** before any apportionment or deduction of any expenses and/or tax.

If **You** are not employer indemnified and require cover for public patient work, this amount should also include any income received for public patients.

If **You** declare incorrect gross billings, **We** may cancel **Your** contract or reduce the amount **We** will pay you if **You** make a claim, or both. If **Your** failure to tell us is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

You may also need to refund any subsidy previously provided through the Premium Support Scheme. **We** may from time to time conduct a billings audit that will require **You** to provide proof of your billings.

PREMIUM SUPPORT SCHEME

The Premium Support Scheme (PSS) is a Commonwealth Government scheme which assists eligible medical practitioners with the cost of their medical indemnity insurance. **We** administer the scheme on the Commonwealth Government's behalf. Participation in the PSS is optional, and subject to eligibility. Please refer to the PSS Application and Terms and Conditions Booklet which you will find on the Tego website www.tego.com.au. **You** can also find frequently asked questions at The Australian Government Department of Health website for the Premium Support Scheme (PSS) under the section for frequently asked questions.

RENEWING YOUR POLICY

Before **Your Policy** expires, **We** will advise you whether **We** intend to offer renewal and if so on what terms.

This PDS also applies for any offer of renewal, unless **We** tell you otherwise.

It is important that **You** check the terms of any renewal offer before renewing to ensure that the details are correct. In particular, check the sums insured and any applicable retention to ensure the levels of cover are appropriate for **You**.

Please note that **You** need to comply with the Duty of Disclosure before each renewal.

THIS IS A CLAIMS-MADE POLICY

Many of the covers under this **Policy** are limited to claims first made against **You** and reported to **Us** in writing during the **Policy Period**. However, the effect of the Insurance Contracts Act 1984 (Cth) is that **We** may not be entitled to deny indemnity merely because **You** notify us of a claim made against **You** after the expiry of the **Policy Period** provided **You** gave **Us** written notice during the **Policy Period** of the facts or circumstances of which **You** were aware that later gave rise to the claim.

RUN-OFF COVER INDEMNITY SCHEME

The Run-Off Cover Indemnity Scheme (ROCS) is a Commonwealth Government scheme that provides run-off cover free of charge to eligible medical practitioners.

Run-off cover is insurance that is maintained to cover claims made against a medical practitioner after they cease practice. **You** may become eligible for ROCS when **You**:

- have retired permanently from private medical practice; or
- are permanently disabled; or
- are on maternity leave; or
- leave Australia after working as a medical practitioner under visa sub-classes 422 (medical practitioner) or 457 (business (long stay)); or
- die (in which case your estate may be eligible for ROCS).

You must notify **Us** when **You** become eligible for ROCS. If you cease to be eligible for ROCS (for example if you resume private medical practice) you will not be covered under ROCS for claims made against **You** or circumstances notified after **You** return to practice and will need to consider reinstating **Your** medical indemnity insurance.

MEDICAL PRACTITIONERS IN NEW SOUTH WALES

For practitioners in New South Wales, **We** comply with the requirements of the Insurance Regulation Order 2006 made under the *Health Care Liability Act 2001 (NSW)*.

ELECTRONIC DELIVERY OF POLICY DOCUMENTS

We will send **Your** policy documents by email unless **You** tell us otherwise. If however **You** wish to receive **Your** policy documents in hard copy, please tell **Us**.

YOUR COOLING OFF RIGHTS

If **You** want to cancel your **Policy** after **You** buy it, **You** may do so and receive a full refund of **Your** premium. To do this, please notify **Us** in writing within twenty-one (21) days from the date **Your Policy** was purchased.

In the event that **You** have notified **Us** of a claim or facts that may give rise to a claim, **You** will not be entitled a refund of any premium, this includes any notification of a claim or facts that may give rise to a claim in the cooling off period of the **Policy**. Even after the cooling off period ends, **You** still have cancellation rights however **We** may deduct certain amounts from any refund that may be due for administration costs or any non-refundable government charges and taxes.
