## What our customers say

“The cover with Tego was more comprehensive than my existing insurer and I was pleasantly surprised to see some great savings on my premium. Tego are attentive and treat me like an individual – not just a policy holder.”

**Dr. Benjamin Olesnický, Anaesthetist**

“I was very impressed with the way Tego’s underwriters assessed me on my individual merits. Once I compared the cover with my existing insurer, I realised that Tego was offering broader cover at a more competitive premium. It was an easy switch and I have been really happy with their service.”

**Dr Alina Zeldovich, Ophthalmologist & Co-Founder Beamers**
